Cost of Freedom Scratched from Breeders' Cup Sprint

Gary & Cecil Barber's 5-year-old gelding Cost of Freedom has been scratched from Saturday's \$2 million Sentient Flight Group Breeders' Cup Sprint, the seventh of nine Championship races on Saturday's Breeders' Cup World Championships program at Santa Anita Park.

Winner of the Ancient Title Stakes over the track last out on Sept. 27 for trainer John Sadler, Cost of Freedom was the 4-to-1 third choice on the morning line for the Sprint. The son of Cee's Tizzy was scratched after veterinary inspection Saturday morning.
