Walmac Farm LLC Announces “Breeder Stimulus Plan”

In light of the current economics facing breeders today, Walmac Farm, LLC has announced a “Breeder Stimulus Plan” applicable to 2009 stud fees. The Plan will include a breeder *option to pay all stud fees from the proceeds of sale* of either the foal or yearling produced from the breeding. In addition, the Plan will allow every Walmac Farm breeding contract to provide the breeder with an *option to convert every mating to a foal share* arrangement within 30 days of foaling. The “Breeder Stimulus Plan” will apply to all nominations sold for stallions standing at Walmac Farm-Kentucky and Walmac-Pennsylvania.

“Bobby Trussell, co-owner of Walmac Farm, and I have talked extensively about the need for an across the board assistance package for 2009 breedings, since markets of every variety worldwide are at a standstill. We hope this creates a win/win situation for mare and stallion owners alike.” commented Johnny Jones, Managing Director of Walmac Farm.

Walmac will hold a Stallion Show on Saturday, December 13 from 11 a.m. to 4 p.m. For further details, George Hills or Tamara Evans at Walmac-Kentucky (859-299-0473) may be contacted.
